

## NES AUTOMATIC TRANSFER AGREEMENT

The Nashville Electric Automatic Transfer (NEAT) plan lets you pay your electric bill automatically. With NEAT, there is no check to write each month, no special trip to a bill paying station or the post office, and no late fees because of forgotten payments. Instead, the exact amount of your monthly bill is automatically transferred from your bank account on the due date each month.

Once received and processed by our billing department, your draft will occur on the next due date. Thereafter, the withdrawal will occur on the due date as stated on our bill. If the pay due date should fall on a weekend or holiday, the withdrawal will occur on the next business day.

Upon signing the NEAT authorization form below, you are authorizing the withdrawal of funds from your bank account for all charges on your NES bill, including, but not limited to, energy usage, security lights, energy loans, and fees.

Thank you for participating in the NEAT program. If you have any questions, please contact us at [custserv@nespower.com](mailto:custserv@nespower.com) or call 615-736-6900.
