

THREE TOOLS TO LOWER *your energy bill*

Home Energy Evaluation

Manage your energy in 2024. Schedule a virtual or in-person Home Energy Evaluation with a professional Home Energy Advisor to learn where you can improve your home's energy efficiency.

EnergyRight Marketplace

Shopping for new appliances? Compare efficiency and cost of ownership among top brands and models, plus see who has the best price at energyright.efficientchoice.com

Bill Analyzer

Use our PowerWise bill analyzer for cost-saving recommendations tailored to your energy usage.

To learn more, visit NESPOWER.COM and look for Ways To Save on the big menu.
