

Nashville General Hospital

No Copay. No Coinsurance.

## Metro Healthcare Incentive Program

*High-quality care just for NES employees  
and retirees\*.*

\* NES employees, retirees, and their dependants  
are available to participate in the program

As a NES employee or retiree\*, you and your dependents are eligible to participate in the **Metro Healthcare Incentive Program.**

Whether you need primary care or imaging - we've got you covered for little to no cost.<sup>1</sup>

### **No Sign Up or Paperwork**

Just show your UMR health insurance card.

### **No Copays & No Coinsurance**

No copays and no coinsurance when you use NGH/NHC services.<sup>2</sup>

### **Save \$2,000**

You can save as much as \$2,000 if **ALL services** are provided at NGH or NHC.<sup>3</sup>

**\* Federal law prohibits participation in the incentive program if Medicare is your primary insurance.**

<sup>1</sup>Represents out-of-pocket maximum of \$1,000 single and \$2,000 family for UMR in-network providers, which includes deductibles and coinsurance, but not copays. You will NOT incur any copays for healthcare at NGH or NHC.

## Who is eligible to participate?

This incentive program is **open to all NES employees, pensioners and their dependents who are covered under a NES medical plan.**

All you need is a current NES healthcare plan. Federal law prohibits participation in the incentive program if Medicare is your primary insurance.

---

## How much does it cost?

Not only is there zero cost to participate in the Metro Healthcare Incentive Program, but you'll also enjoy **\$0 deductible and coinsurance for healthcare at Nashville General Hospital (NGH) and Nashville Healthcare Center (NHC).**<sup>2</sup>

---

## How do I sign up?

You don't! **There's no sign up needed. If you currently have a NES healthcare plan, you're eligible NOW!** New patients call 615.341.4YOU (4968) to book your appointment.

<sup>2</sup> To qualify for no-cost care under the Metro Healthcare Incentive Program, all ancillary/rehab services must be performed at Nashville General Hospital, even if employees are seeing a physician at Nashville Healthcare Center.

<sup>3</sup> Copays may be charged by a third-party lab.
